How does it work?

Your consultation will be with a qualified pharmacist in a private room if required. The pharmacist can supply some medicines to you that normally would need a prescription, without you having to see your doctor first.

Working in Partnership with

NHS Dudley Clinical Commissioning Group (CCG)
NHS Sandwell & West Birmingham CCG
NHS Wolverhampton CCG

How much does it cost?

As this is an NHS service, **the consultation is free**. If the pharmacist agrees that you need medicines, they will be provided free of charge for people who get free prescriptions.
